

Digital PABX

SATISFYING TODAY'S COMMUNICATION NEEDS WITH TOMORROW'S TECHNOLOGY

Electroteks Wildfire IP enabled digital PABX family is a scalable and reliable communication system, suitable for any enterprise irrespective of its size and market sector. Wildfire is a total office communication solution delivering enterprise class features such as auto attendant, Interactive Voice Response (IVR), database integration, call conferencing, Direct Inward Dialing (DID), voice mail, call recording, advanced call center functions, and much more. Facilitating these many high end features has not hindered the ease of deployment and management. Enterprises looking for a cost-effective, advanced phone system should not look beyond the Electroteks Wildfire IP PABX range.
